

REMARKS/ARGUMENTS

Reconsideration and allowance are respectfully requested in view of the following remarks.
No new matter is added.

Claims Indicated as Allowable

Applicant appreciates and acknowledges the Examiner's indication that dependent claims 34-38 contain allowable subject matter. To expedite allowance, Applicant has incorporated the indicated allowable subject matter into the independent claims. No other amendments are made. It is therefore respectfully submitted that the Examiner will consider the present application in condition for allowance.

Claim Rejections

All claim rejections are rendered moot by incorporating the dependent claims indicated as allowable into their respective independent claims. Applicant has amended the claims only to expedite allowance in reliance on the Examiner's indication of allowable subject matter. Applicant does not concede that the un-amended independent claims are unpatentable.

Conclusion

All rejections having been addressed, it is submitted that the present application is in condition for allowance. The Examiner is invited to telephone the undersigned with any questions.

Respectfully submitted,
